

ENVIRONMENTAL POLICY

(ISO 14001)

Since the inception of Platypus Print Packaging, the company has always had an environmental focus. The uniquely Australian platypus has found renewed success in recent times due to conservation initiatives. Likewise, Platypus Print Packaging recognizes that being environmentally focused and engaging in sustainable practices is fundamental to business success.

This commitment is practiced by:

- Implementing process driven initiatives to reduce waste and conserve water and energy.
- Investment in energy reduction and renewable energy.
- Setting targets to reduce resource consumption.
- Promoting paper products that are sourced from sustainably managed forests.
- Compliance with environmental laws and regulations.
- Communicating the business's sustainability goals with all staff.
- Regularly reviewing our environmental objectives and targets.
- Supporting local conservation initiatives for the Australian platypus.
- Maintaining certification to Environmental standard ISO 14001.

Platypus Print Packaging is committed to sharing our vision for sustainability and responsible environmental practices with all stakeholders.

Aaron Lusch
General Manager
